OFFICE OF THE

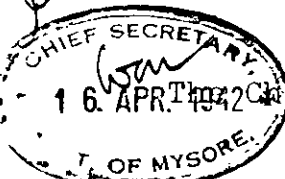

No. A.R.P 539/41-42 INSPECTOR-GENERAL OF POLICE IN MYSORE,

Encl. Encl Bangalore, dated...14th...April,.....1942

FROM

The Inspector-General of Police in Mysore,

Bangalore.

To  Chief Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

SIR

In enclosing a draft order under Rule 51.B of the Defence of India Rules on the lines of that issued by Madras Government recently, I have the honour to request that it may be issued for the following places in the State:-

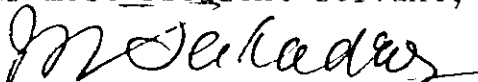

Bangalore City.

Mysore City.

Kolar Gold Field.

Bhadravati.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL OF POLICE.

KVN.

MEASURES FOR DEALING WITH OUTBREAKS OF FIRE IN FUEL DEPOTS,
TIMBER STORES, PAPER STORES, KEROSENE-OIL DEPOTS
AND GUNPOWDER SHOPS.

Government are pleased to issue the following order under
Sub Rule (1) of -
Rule 51(B) of the Defence of India Rules as applied to Mysore,
Viz., *in regard to the precautions*
to be undertaken in fuel depots, timber
stores, paper stores, kerosene oil depots and
gunpowder shops. ORDER.

- within Bangalore City, Mysore City, & other places.*
Mr. B. S. Rao
1. Fuel Depots.- The owner or occupier of every fuel depot shall provide a fire lane of at least 20 feet between the fuel depot and the adjoining residential building.

For every 4,000 feet of roof area there shall be one fire-fighting party. In addition to the equipment laid down for each Fire-fighting party, depots consisting of 4 buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) shall be provided on every floor (for every 8,000 square feet of floor space) in addition to depots of 2 buckets of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) ~~XXXX~~ at every entrance and exit, at the foot of and on the landing of every staircase on every floor of the building.

2. Timber Stores.- The owner or occupier of every timber store shall provide a fire lane of at least 20 feet between the timber store and the adjoining residential building.

For every 4,000 feet of roof area there shall be one Fire-fighting party. In addition to the equipment laid down for each Fire-fighting party, depots consisting of 4-buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) shall be provided on every floor (for every 8,000 square feet of floor space) in addition to depots of 2 bucket of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) at every entrance and exit, at the foot of and on the ~~building~~ landing of every staircase on every floor of the building.

3. Paper Stores. - For every 4000 feet of roof area there shall be one Fire-fighting party. In addition to the equipment laid down for each Fire-fighting party, depots consisting of 4 buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 ^{to} or 15 lbs. of sand) shall be provided on every floor (for 8,000 square feet of floor space) in addition to depots of 2 buckets of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) at every entrance and exit, at the foot of and on the landing of every staircase on every floor of the building.

4. Kerosene-Oil Depots. - For every 4,000 feet of roof area there shall be one Fire-fighting party. In addition to the equipment laid down for each Fire-fighting party, depots consisting of 4 buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) shall be provided on every floor (for every 8,000 square feet of floor space) in addition to depots of 2 buckets of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) at every entrance and exit, at the foot of and on the landing of every staircase on every floor of the building.

The owner or occupier of every kerosene-oil depot shall cause the entire floor of every room in the depot in which ~~xxxx~~ kerosene is stored to be filled with sand to a height of 1 foot.

5. Gunpowder shops. - For every 4,000 feet of roof area there shall be one Fire-fighting party. In addition to the equipment laid down for each Fire-fighting party, depots consisting of 4 buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) shall be provided on every floor (for every 8,000 square feet of floor space) in addition to depots of 2 buckets of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) at every entrance and exit at the foot of and on the landing of every staircase on every floor of the building.

The quantity of cartridges and gunpowder which may be kept stock at any one time shall not exceed the following limits:-

Gunpowder. 25 lbs.

Cartridges. 1,000 of all sorts.

Percussion caps. 5,000.

No. 2966/R.

Dated Bangalore 20th April 1942

NOTIFICATION.

Government are pleased to issue the following order under sub-rule (1) of Rule 51B of the Defence of India Rules as applied to Mysore, in regard to fire precautions to be undertaken in fuel depots, timber stores, paper stores, kerosene oil depots and gun powder sheds, within Bangalore City and Mysore City.

1. Fuel Depots:- The owner or occupier of every fuel depot shall provide a fire lane of at least 20 feet between the fuel depot and the adjoining residential building.

For every 4,000 feet of roof area there shall be one fire-fighting party. In addition to the equipment laid down for each fire-fighting party, depots consisting of 4 buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) shall be provided on every floor (for every 8,000 square feet of floor space) in addition to depots of 2 buckets of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs of sand) at every entrance and exit, at the foot of and on the landing of every staircase on every floor of the building.

2. Timber Stores:- The owner or occupier of every timber store shall provide a fire lane of at least 20 feet between the timber store and the adjoining residential building.

For every 4,000 feet of roof area there shall be one fire-fighting party. In addition to the equipment laid down for each fire-fighting party, depots consisting of 4 buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) shall be provided on every floor (for every 8,000 square feet of floor space) in addition to depots of 2 buckets of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs of sand) at every entrance and exit, at the foot of and on the landing of every staircase on every floor of the building.

3. Paper Stores:- For every 4,000 feet of roof area there shall be one fire-fighting party. In addition to the equipment laid down for each fire-fighting party, depots consisting of 4 buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 to 15 lbs of sand) shall be provided on every floor (for 8,000 square feet of floor space) in addition to depots of 2 buckets of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) at every entrance and exit, at the foot of and on the landing of every staircase on every floor of the building.

building.

4. Kerosene-Oil Depots:-For every 4,000 feet of roof area there shall be one fire-fighting party. In addition to the equipment laid down for each fire-fighting party, depots consisting of 4 buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) shall be provided on every floor (for every 8,000 square feet of floor space) in addition to depots of 2 buckets of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs of sand) at every entrance and exit, at the foot of run and on the landing of every staircase on every floor of the building.

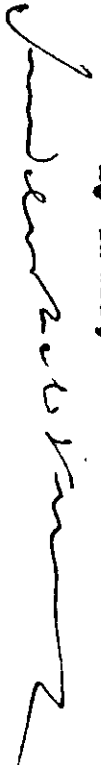

[The owner or occupier of every kerosene-oil depot shall cause the entire floor of every room in the depot in which kerosene is stored to be filled with sand to a height of 4 feet.]

5. Gunpowder Depots:- For every 4,000 feet of roof area there shall be one fire-fighting party. In addition to the equipment laid down for each fire-fighting party, depots consisting of 4 buckets of water and 12 sandbags three-quarters full of sand (each containing about 12 to 15 lbs of sand), shall be provided on every floor (for every 8,000 square feet of floor space) in addition to depots of 2 buckets of water and 6 sandbags three-quarters full of sand (each containing about 12 to 15 lbs. of sand) at every entrance and exit at the foot of and on the landing of every staircase on every floor of the building.

The quantity of cartridges and gunpowder which may be kept in stock at any one time shall not exceed the following limits:-

Gunpowder	-	25 lbs.
Cartridges	-	1,000 of all sorts.
Percussion caps	-	5,000

Oorgaum,

Date 4th August 1942.

500

To
Mohamed-ul-Muluk

Gulam Mohiyuddin Mekri, Esq., B.A., LL.B.,

Chief Secretary to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

Fire Precautions Order.

Adverting to Government Notification No. 2566/W. dated 20th

April 1942, I have the honour to state that it is laid down in para
2 of Clause 4 in respect of "Kerosene Oil Depots" that -

"The owner or occupier of every kerosene oil
"depot shall cause the entire floor of every
"room in the depot in which kerosene is stored
"to be filled with sand to a height of 1 foot."

In this connection, I beg to state that under the Mysore Petroleum
Rules, 1942, vide condition 1 of License Form 'G', the floor of the
storage shed should be suitably finished to form a sump or enclosure
not more than 2 feet deep so that the petroleum cannot flow out from the
building in case of its escape from the ^{receptacle} in which it is contained.
If the entire floor of the godown is to be filled with one foot of
sand as required by the above Order, the capacity of the enclosure would
be reduced and it would be impracticable to store and handle, packed
tins. Owing to this difficulty, the Government of Madras have amended
this "Fire Protection Order" issued in their Notification No. Ms. 579/
Public (Civil Defence) dated 18th February 1942 by omitting the last
paragraph of clause 4 - "Kerosene Oil Depots" in their Notification
No. Ms. 1634/Public (Civil Defence) dated 9th June 1942 - copy of which
is enclosed herewith for your kind information. I therefore request
that a similar amendment be made to the "Fire Precautions Order"

issued

2,

issued with the Notification under advertance as the Oil Companies are experiencing great practical and technical difficulties in carrying out this provision.

I have the honour to be,

Sir,

Your most obedient servant,

K. S. Narasimha

Chief Inspector of Mines &
Explosives in Mysore.

G.O. No.579, Public (Civil Defence) dated 18th February 1942
G.O. No.1143 Public (Civil Defence) dated 9th April 1942

O R D E R

The following notification will be published in the Fort St. George Gazette:-

NOTIFICATION.

In exercise of the powers conferred by sub-rule (1) of Rule 51-B of the Defence of India Rules, His Excellency the Governor of Madras is hereby pleased to make the following amendment to the order in regard to Fire precautions to be undertaken in fuel depots, timber stores, paper stores, kerosene oil depots and gunpowder shops published with Public (Civil Defence) Department Notification No.15 dated the 18th February 1942 at pages 201-202 of Part I of the Fort St. George Gazette dated the 24th February 1942.

Amendment.

The last paragraph of clause (4) of the said order shall be omitted.

(BY ORDER OF HIS EXCELLENCY THE GOVERNOR).

Sd.A.H. Southorn,
